Honeywell International Inc., et al. v. Apple Computer, Inc., et al.
C.A. No. 04-1338-KAJ
Optrex America, Inc. v. Honeywell International Inc., et al.
C.A. No. 04-1536-KAJ

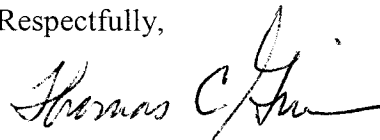

Dear Judge Jordan:

I write on behalf of Honeywell to briefly respond to the lengthy letters submitted by the Manufacturer Defendants and Optrex, which we were surprised to receive.

While there have been several conferences between the parties regarding a scheduling order in this matter, the Manufacturer Defendants refused to address the very issues they have laid out in detail for the Court. Accordingly, this is the first time Honeywell has learned the positions the Manufacturer Defendants now set forth. Had these issues been raised during the conferences, the parties could have engaged in meaningful discussions to attempt to resolve some of the concerns raised by the Defendants. Instead of engaging in defendants' letter-writing campaign, we will be prepared to argue the merits of these issues at the Scheduling Conference.

Honeywell looks forward to discussing these and all other scheduling issues at Monday's hearing.

Respectfully,

Thomas C. Grimm (#1098)

The Honorable Kent A. Jordan
